

Job Seekers: Upload Your Résumé To Our Talent Network!

Students and Alumni:

University of Technology, Jamaica Career and Placement Office is powered by College Central Network, the nation's largest network of entry-level job seekers. Together, we help you find a job and get the scoop on career-related programs and events.

Access both our school's exclusive job postings *and* over 500,000 national jobs. Upload your résumé and reach employers seeking to hire. Build your career portfolio to quickly showcase your achievements and credentials online.

Plus, hone your job search and career skills with over 120 career advice documents and podcasts, and hundreds of articles.

These and many other job resources are available to you for *free* when you register!

Contact Information:
