Explain what you consider to be **THREE (3)** possible ways in which any **ONE** of the following can impact a university student:

- a. nonpayment of student loans
- b. increased tuition fees
- c. removal of part-time programs
- d. limited hall accommodations

**QUESTION 2**

**Time: 30 minutes**

**Instructions:** Complete the following task in no more than 150 words. Do not include an address in your response. Begin the letter: Dear...

The management of the University recently announced that coaster buses would no longer be allowed to pick up students on campus, and so students are now forced to seek transportation off campus. Many students have voiced several concerns about this change. As President of the Students' union, write a letter to the management of the university in which you

- state your reason for writing the letter :
- briefly outline two major concerns that students have with the recently announced change
- suggest one way in which this problem could be solved
